

OUR VISION, OUR FUTURE – THE NEXT 50 YEARS

February 2016

After nearly 50 years of praying, worshipping, celebrating the sacraments and making many cherished memories, we are moving closer to the goal of remodeling and upgrading our church building. Our Parish Building Committee has worked for many months on a design concept based on prayer, input from our community, and the desire to create a dignified and fitting dwelling place for worship that is reflective of the faith family that worships and celebrates there. After a careful and thoughtful planning process, the result is a beautiful and reverent remodeling plan for our church that is conducive to worship and to meeting the needs of our faith community now and into the foreseeable future. We are ready to move forward to the next phase of our plan.

What's Next?

To accomplish this important project, the Building Committee is in the process of preparing to launch a Capital Stewardship Campaign, this year, to raise the monies needed to complete this phase of the community plan. We are setting up the infrastructure to move the campaign forward and to engage our full parish in this exciting project. We are actively seeking the involvement of many volunteers, starting this fall, to serve on a number of organizational committees to bring our efforts to fruition.

While we understand that jobs, activities, and family responsibilities keep us very busy, we ask you to prayerfully consider joining your fellow parishioners in dedicating the gifts of your time and talents to this worthwhile endeavor as together we continue to build our community and our future. May God bless us all as we give a very important gift to ourselves, our parish, our faith, and our God.

How You Can Help

1. Serve as a volunteer on the Capital Campaign Committee or one of the subcommittees. Meetings are scheduled to begin in April/May.
2. Contribute your skills and talents to the campaign such as communications, graphic design, event planning, fund raising, etc.
3. Spread the word among your family and community to raise awareness and excitement about the campaign.
4. Serve as an ambassador for the campaign – speaking at mass, presenting to church committees, etc.
5. Ask questions and share your ideas.

Even if you are not sure of how you can help, please volunteer, there will be something we can find for you to help. Please stretch a little and pray a lot to find a way to help make this plan a reality. For information about our project please contact any of our building committee members:
